

**REMARKS**

Claims 1-4, 6-9, 11-13, 16-17, 19-22, 32, 34-35, 38, 40-41, 44, 46-47, 50, 52-53, 56, and 59-64 remain pending in the application. Claim 32 has been amended without introduction of new matter. Favorable reconsideration is respectfully requested in view of the above amendments and the following remarks.

The remarks presented in the Amendment filed earlier on this date are expressly incorporated herein in their entirety.

Supplemental to that Amendment, Applicants now amend claim 32 to address an alleged inconsistency as to the nomenclature of specific features in some of the dependent claims. In particular, claim 32 has now been amended to refer to “A processor comprising a data processing architecture” rather than to “A processor comprising an architecture or system”.

The application is believed to be in condition for allowance. Prompt notice of same is respectfully requested.

Respectfully submitted,  
Potomac Patent Group PLLC
